Descriptions of Staff Categories

ALL STAFF: Personnel or sub-contractors including all WIC staff, managers, administrators, interns, students, and volunteers, including short term, who are responsible for the ongoing conduct of WIC program operations. Includes personnel directly connected with the administration or enforcement of the program including persons investigating or prosecuting violations in the WIC Program under Federal, State, or local authority. This is the most inclusive category.

EXEMPTIONS: Any staff person who does not have any contact or potential contact with applicants/participants or access to information in WIC WISE is not required to complete any trainings. This includes operational personnel who do not certify or serve WIC applicants, participants, and administrators who do not directly supervise WIC staff. Example: An accountant that works in an administration office and has no contact with applicants/participants.

DIRECT SERVICE: All staff or volunteers who interact directly or indirectly with WIC participants. Includes phone staff and clerks; Peer Counselors; staff contracted to provide breastfeeding support (e.g. IBCLC or other lactation support sub-contractors); nutrition

Job Aid

educators including WNAs, RDs, DNs, interns, students, site managers, WIC directors. Local agencies are encouraged—but not required—to offer the *Direct* Service trainings to staff who are housed at WIC and provide WIC services but who are paid through other funding sources such as Nutrition Education and Obesity Prevention (NEOP), First Five, etc.

LOCAL VENDOR LIAISON: Local agencies designate one or more staff to fill this position. The Local Vendor Liaison (LVL) provides technical assistance and serves as a local resource for WIC authorized vendors.

NUTRITION EDUCATORS: This includes all staff designated as Competent Professional Authorities who provide (or may potentially provide) any amount of individual or group nutrition and/or health education to WIC participants. Includes WNA in training, WNA, RD, DN, dietetic interns, lactation consultants.

PEER COUNSELOR: Peer Counselors who function under the PC-only model. Peer Counselors who are PC/WNA must meet all training associated with being a PC as well as all those required of WNAs.
