

Texas WIC Health and Human Services Commission

Effective April 1, 2026

Policy No. CS:26.0(eWIC)

Assigning a Replacement Texas WIC Card

Purpose

To ensure uninterrupted services to WIC participants due to lost, stolen, and damaged Texas WIC Cards.

Authority

State Policy

Policy

WIC participants will receive replacement Texas WIC Cards when a card is reported lost, stolen, or damaged.

Definitions

Assign Texas WIC Card – The process of assigning a Texas WIC Card to an economic unit.

Cancel (i.e. deactivate) – The process in the MIS that permanently cancels the current card. When a new card is assigned, a PIN must be set.

Caretaker – Any person, 18 years of age or older, designated by a participant (pregnant, breastfeeding or post-partum), parent, or guardian, to obtain and transact benefits. A caretaker is appointed as a benefit recipient and has custodial responsibility for a participant during most of their time awake each day.

Client - Refers to participant/parent/guardian/caretaker.

EBT Processor – The vendor responsible for mailing the Texas WIC Card, when requested through myWIC and the WIC Card Management Line.

Electronic Benefit Account (EBA) – The account where food benefits are being held for redemption.

Replace Card – The process in the MIS which replaces the current card. The current PIN remains and is assigned to the new card. A new PIN can be

set/reset by the participant/parent/guardian/caretaker if desired.

WIC Card Management Line – an interactive voice response system where clients can manage the Texas WIC Card (set/reset the PIN, cancel/replace the card), obtain food benefit balances, and speak to a customer service associate.

Procedures

I. Options for Requesting a Texas WIC Card

The following options are available to a participant/parent/guardian/caretaker to receive a replacement Texas WIC Card if it has been lost, stolen, or damaged:

- A. myWIC app
- B. WIC Card Management Line
- C. WIC Clinic

II. Assigning and Replacing a Texas WIC Card

- A. If a participant/parent/guardian/caretaker is present in the clinic, staff will offer to replace the card.
 - 1. Appropriate identification is required as stated in Policy [CS:05.0](#).
 - 2. Staff must verify the status of the current Texas WIC Card in the MIS.
 - a. If the card status is "Active", staff will select "replace card" in the action toolbar in the MIS within the family card record. Staff will choose a reason under Cancel Card from the following:
 - Damaged
 - Lost
 - Stolen
 - Card not received
 - b. If the card status is "Canceled," staff will ask if it was canceled through the WIC Card Management line to have a replacement card mailed.
 - i. If yes, staff may replace it immediately in the clinic

- and inform the client to discard the card sent by mail when they receive it.
- ii. If no and cancelled the card through myWIC instead of requesting a replacement, staff will assign a new card in the clinic and inform the client to set their PIN through myWIC or the WIC Card Management Line before shopping.
 - c. If the card status is "mailed card requested" (client requested a replacement via myWIC), staff may replace the card immediately in the clinic and inform the client to discard the card sent by mail from the EBT processor when they receive it. The PIN will remain the same.
- 3. Assign a new Texas WIC Card and capture participant/parent/guardian/caretaker signature.
 - 4. If signature is unable to be captured, staff must select the reason in the MIS.
- B. If the client is not in the clinic at the time of requesting a replacement card, staff must verify the participant/parent/guardian/caretaker's name, date of birth, and zip code and offer the following choices in the MIS:
- 1. Card picked up from clinic
 - 2. Card mailed from EBT Processor - staff must verify correct address in MIS.
- III. Disposal of a Texas WIC Card
- A. If a Texas WIC Card is found to be unusable/damaged in the clinic, staff will assign a new card and discard the unusable/damaged card according to LA/Parent agency protocol.
 - B. If a participant/parent/guardian/caretaker notifies the clinic that a lost card has been found and a replacement card has been requested or assigned, staff will inform the client that the lost card is no longer active and to discard.
