

Texas WIC Health and Human Services Commission

Effective: April 1, 2026

Policy No. FD:06.0

Texas WIC Card Management

Purpose

To ensure proper accountability for WIC Lone Star cards assigned to the Local Agency (LA) and/or clinic prior to issuance.

Authority

7 CFR Part 246.12

Policy

The State Agency (SA) will order Texas WIC cards for each Local Agency (LA) from the EBT Vendor and conduct a monthly assessment to ensure the card supply is maintained.

The LA administrative site must report to the State Agency (SA) when all Texas WIC Card bulk inventory shipments are received and provide accounts of the amount received. The LA administrative site must report any discrepancies in Texas WIC Cards during the internal LA clinic distribution process.

Definitions

EBT Vendor - The vendor who mails Texas WIC Cards to each LA administrative site.

Procedures

- I. Texas WIC Card Supply
 - A. The SA will order Texas WIC Cards through the EBT Vendor for all LAs and enter the number of cards into each clinic's card inventory in the MIS.
 - B. The SA will conduct a monthly assessment of each LA and Clinic Site card inventory and will determine if replenishment of card supply is needed on a quarterly basis.
 - C. The SA will send an email to the LA administrative site with a tracking number of the bulk inventory.

Texas WIC Health and Human Services Commission

Effective: April 1, 2026

Policy No. FD:06.0

- D. If the LA administrative site determines additional cards are needed, the request with the number of additional cards must be sent to wicebtsupport@hhs.texas.gov.

II. Receiving Bulk Card Shipment and Distribution

- A. The EBT vendor will send bulk Texas WIC Card shipments ordered by the SA to each LA's administrative site for distribution to the WIC clinics.
- B. Within 3 business days of receipt, the LA administrative site will send an email to confirm the number of sleeves received in the shipment to wicebtsupport@hhs.texas.gov.
- C. The Texas WIC Cards are ready to be assigned to WIC families upon receipt at the clinic.

III. Securing and Reporting Discrepancies During LA Clinic Distributions

- A. LA administrative site will report any discrepancies in Texas WIC Card shipments that occur during internal LA distribution to Clinic Sites to wicebtsupport@hhs.texas.gov within one business day.
 - 1. Texas WIC Cards reported to SA as lost in transit will be cancelled permanently.
 - 2. If the cancelled cards are later found by the LA, they must be discarded according to parent agency protocol.
- B. The LA administrative site and WIC clinics must keep the Texas WIC Cards secured in a locked area.
