

State WIC Responsibilities - Local Agency Communication and Training

Policy: The State WIC Benefit Delivery Unit (BDU) maintains routine communication and training processes for Local Agency Retailer Coordinators (LARC) through various methods.

Regulation: 7 CFR 246.12 (i), 7 CFR 246.4

Procedure/Additional Guidance:

Communications and Training methods for Local Agencies include:

- WIC's *WORLD* - the annual vendor training newsletter.
- Local Agency Newsletters and **Weekly Digest Articles**.
- Colorado WIC retailer training video.
- Compass Retailer Reports.
- Train-the-Trainer Sessions at store visits (e.g., monitoring, orientation, and informal).
- Technical Assistance with Vendor Complaints/Problems and Violations.
- Program Manual- Policy and Technical Guidance (e.g., Civil Rights Complaints).
- Vendor Handbook- Policies related to Disqualification/Sanctions.
- **Quarterly conference calls with LARC to provide up-to-date information on vendor issues and program updates, and changes.**
- Vendor Coordination training in the LA clinics can be provided on request. LARC should work with staff to provide training on retailer issues and procedures.
- Reports and Procedures (e.g., monitoring, orientation, pre-authorization, mandatory training, site visit, shelf surveys, etc.) are available on the ColoradoWIC.com website and upon request.
- **LARC 101 Training.**
- **Food List Training.**
