Approved by: _____ LaQuandra S. Nesbitt MD, MPH; Agency Director	Review by Legal Counsel: _____ Phillip Husband, Esq.; General Counsel	Effective Date: 07/28/2016

I. Authority	USDA
II. Reason for the Policy	CFR § 246.7(f)(2) Timeframe for Processing Applicants
III. Applicability	DC WIC State Agency and Local Agency Staff
IV. Policy Statement	- Local agencies shall use the statewide show-rate to determine the minimum number of daily appointments. Appointments are defined as initial certifications, nutrition education/check pick-up, re-certifications, and medical updates. Each local agency shall calculate monthly show-rates. See chart listed in section V. Procedures. - The State agency shall review the show rate quarterly and make the necessary adjustments to reflect the rise and fall of the show-rate statewide. - Upon request, the State agency will provide the local agency with a print-out of the monthly summary of calls made, by the auto dialer voice messaging system. - The local agency should correlate the monthly enrollment average against the monthly closeout average to ascertain the utilization of the services rendered. - Assessment appointments shall be available eighty percent (80%) of the clinic opening hours. - Check pick-up/nutrition education appointments shall be available during one hundred percent (100%) of the clinic opening hours. - At least ninety percent (90%) of the daily, weekly, and monthly assessment appointments should be held for potential Priorities I, II and III applicants and participants: - Whose current certification period will soon expire, - Who call the clinic for an appointment, or - Who visit the clinic for an appointment

	8. Appointments slots shall not be held for lower priorities. If, however, no appointments have been scheduled a week prior to Priority I, II and III applicants, an appointment can be given to any applicant regardless of potential priority.
