

Texas WIC Health and Human Services Commission

Effective April 1, 2024

Policy No. AUT:08.0

Acceptable Use Agreement

Purpose

WIC information and information resources are valuable assets that must be protected from unauthorized disclosure, modification, use, or destruction. The purpose of the revised Health and Human Services (HHS) Acceptable Use Agreement (AUA) is to assure that staff understand and adhere to all requirements concerning the use of WIC information resources.

Authority

State Policy

Policy

Local Agencies (LA) must ensure that information and resources maintain their integrity, confidentiality, and that their availability is not compromised. All LA staff must sign the Acceptable Use Agreement (as defined below) documenting their acceptance of computer usage requirements.

Definitions

Information resources - the procedures, equipment, and software that are employed, designed, built, operated, and maintained to collect, record, process, store, retrieve, display, and transmit information by LA staff to and from the State Office.

Acceptable Use Agreement (AUA) – a required form for staff to sign agreeing to adhere to state agency policies and procedures for the use of state resources.

Texas WIC Health and Human Services Commission

Effective April 1, 2024

Policy No. AUT:08.0

Procedures

- I. All LA staff assigned a WIC User ID must read the [Information Security Acceptable Use Policy \(HHS AUA Policy\)](#) in its entirety and sign the [Information Security Acceptable Use Agreement \(HHS AUA Signature Form\)](#). The policy and form are also downloadable from the [Texas WIC Women, Infants and Children Catalog](#).
- II. To complete the AUA, staff must:
 - A. Enter all required fields (Signature, Name Printed, Work Email, Work Phone);
 - B. Under the "I am" option, select "A contractor";
 - C. Enter Parent Agency name in the blue text box underneath the "Other" line.
 - D. Enter the "Date Agreement Signed" at the bottom of the form.
- III. The LA must retain signed AUA signature forms for each employee and have them available for audit/review. Refer to [GA:03.0 Records Retention](#).
- IV. When leaving the workstation, staff should secure confidential information.
- V. All staff must complete a Texas Department of Information Resources (DIR) Certified Cybersecurity Training within 30 days of hire and annually thereafter.
