

Texas WIC Health and Human Services Commission

Effective July 1, 2025

Policy No. QA:01.0

Quality Assurance Monitoring of Local Agencies

Purpose

To ensure that Local Agencies (LAs) comply with federal, state, and local regulations, policies, and procedures.

Authority

7 CFR Part 246.11, 246.19; Quality Assurance Policies

Policy

Each LA's Administrative operations, Clinical operations, Fiscal operations, food delivery systems, and records must be monitored for compliance with federal, state, and local regulations, policies, and procedures at least once every two years.

Procedures

- I. The State Agency (SA) will review LAs at least once every two years. These reviews will include both an offsite and onsite portion with a minimum of 20% of the clinic sites. The SA will record information about LAs that will undergo a review in the fiscal year's review tracker.
- II. The SA will notify the LA Director of the review via email. The email will contain information about the LA's upcoming review, such as clinic site(s) selected and date(s) the onsite review will take place.
- III. The SA will send the LA director the request for information email with details about the offsite review. The LA director and Parent Agency (PA) must submit the requested documentation within the provided timeframes. The request for information is sent 10 weeks prior to the on-site review. It is due to the SA within six weeks.
- IV. The SA will conduct an Entrance and Exit Conference with the LA. The WIC Director may invite the PA's executive director and other

appropriate personnel to attend.

- V. If applicable, the SA will issue a Corrective Action Plan (CAP). The LA must submit the responses and documentation within 14 business days upon receipt. The Quality Management Branch staff may request additional information or explanation from the LA, if necessary. If subsequent CAPs are sent to the LA, QMB will include a due date that will typically be less than 14 days.
 - A. When the CAP is accepted, the SA will email the LA Director a final report of the results.
 - B. If the CAP is not accepted, the SA will send the LA Director a second CAP.
 - C. Within 30-90 days or soon after the CAP acceptance, the SA will conduct the CAP Follow-Up Review to ensure corrective action was taken and processes are in place.
- VI. The SA will email a closure letter to the LA Director once the review is officially closed.
